Are Your Hose Insured?

HOLEPROOF HOSE

These are the original Warranted Hose for Ladies. Other manufacturers are faintly imitating this plan of warranted Hose. We know for we have had them and they were mean stuff. We satisfied our customers by putting our hands into our pockets and paying our customers for new Hose. NOW, NOW we have the original make, the one that has made Warranted Hose a success. See our window for these Warranted Hose. You will want a box and will recommend them to your friends.

Holeproof Hose

These Holeproofs are the original warranted Hose. They are the Hose that Boston and New York trade have bought so freely that until the mill was enlarged we could not get them for you ladies here in Vermont.

These Holeproof Hose come in all sizes in both black and tan, six pairs in a box, each pair warranted for six months of any wear that you see fit to give it. The price is \$2.00 for the box, making an average of 33 1-3 cents per pair for a warranted Hose.

The finest grade of these Holeproof Hose comes in light weight and quite fine, and sells at \$3.00 per box of six pairs, with the six months' warrant.

New Satines seem to be our best sellers. Surely there is no prettier or better wearing goods made than these new patterns.

Holeproof Hose

The beauty of these warranted Hose is that there is no seam on the bottom of the foot to hurt. (This means lots to some ladies.)

These warranted Hose are another of our business additions; there are more to come.

We have mentioned before our new venture in all classes of Ribbons, much larger line than anyone here in Barre has ever carried.

Following these Holeproof Hose are several new lines of goods that we are opening up. Lines that will be appreciated by the better class of trade—those who want good things and want to buy them at home.

Novelties

Just received a new styled Folding Handbag. Looks like an ordinary shopping bag and by pulling a catch you have a large bag, large enough to carry all of your small packages. Then goes back to a small Handbag again.

New Silks that are novelties. These are in the Mesaline finish, and figures are small, neat, and very stylish.

Novelties in Wash Goods, and some extra good values in Mercerized White Waists at 18 and 25 cents per yard. New shades of green and blue in Wool or Silk Dress Goods.

Would you buy a good fur coat if you could buy it cheap enough? If you would that is no doubt but that you'll buy one at A. A. Smith & Brother's this week. Not for years have you had such a chance to purchase a good fur coat for so little money. Values on other things are in many cases exceptional. See ad. page 4. It's convincing reading, because it is based on facts.

"Fight for Gold" at the Bijou theatre today is a most dramatic picture—story of a long, hard fight for the precious glittering yellow metal in the famous South African gold fields. It is a true film, taken in that country. How the gold is "panned out" and many other features of interest are shown, besides a real fight for a mine. It's a thriller. Two more new pictures and good song make up the program.

"Punch" Daley rolled 'em some on the Montpelier alley last night when he helped his team, the Capitals, along toward a three-two victory over the Pastimes, the other team in the state league. Daley got a high single of 233 and a total of 1,019. The other five men on the two teams couldn't get within gunshot of "Punch." At Burlington last night the Queen City took five straight from the Lynwoods.

Good Values in Good Things

Do you like to have your Bakery Goods made and handled in a clean and sanitary manner? We insist on our bakery being kept as clean as your kitchen and the materials kept and handled in a sanitary way. We use a Day Mixer for our dough, instead of the old fashioned and unsanitary manner of mixing by hand.

We believe that it is impossible to make something out of nothing and never use substitutes of any kind. Only the best of materials are used and the best of bakers employed. In fact, it is our intention to make the best that can be made in this line.

We have some fifty different varieties of Pastry. Our Cream Bread you will find better than ever.
